Friend Zone (Hiccup x Reader)

You've lived in Berk for two years with your father. Your home village, Colomba, was destroyed in a war. You have a HUGE crush on (older!) Hiccup, the chief's son. But Hiccup only sees you as a friend. Can you get out of the friend zone? (I want to put something in there...Gobber has invented phones! I don't care if it took until like the 1990's for them to be invented...I'M USING MY IMAGINATION! )
